

Here's what to do when you call for HELP:

Dial: 9 1 1.

They will say: "POLICE, FIRE, AMBULANCE"

You answer: Police

Then say:

My name is _____.

I am _____ years old.

I need help. Send the police.

The address here is _____.

The phone number here is

_____.

It may not be safe for you to stay on the phone. If it is not safe tell the person that and then just put the phone down.

DO NOT HANG UP.

If you hang up, the police may call you back.

If I'm afraid I will be hurt I will go to a safe neighbor's house close by.
